

Amendments to the Drawings:

The attached sheet of drawings includes changes to Figure 19E1. This sheet, replaces the original sheet Fig. 19E1.

Attachment: Replacement Sheet

REMARKS

The drawing sheet for Figure 19E1 was objected to because the "Figure E1" was not labeled as "Figure E1." It appears that when the U.S. Patent and Trademark Office scanned the drawings into PAIR, the left-hand side of Figure 19E1 was inadvertently cut off, thereby omitting the left-hand side of the drawing, including the label "Fig. 19E1." A replacement sheet Figure 19E1 is submitted herewith. Applicants note that the present application is a continuation application of USSN 10/195,835 and the replacement sheet Figure 19E1 submitted herewith is an exact copy of the original drawing as submitted in the present application and as submitted in the parent application as evidenced by the scanned copy of Figure 19E1 available on PAIR in the image file wrapper for the parent application No. 10/195,835. Thus, Applicants submit that the replacement drawing sheet for Figure 19E1 contains no new matter.

Respectfully submitted,
